**Feminine Logic.**  
"But, my dear, I haven't said a word." "Nevertheless, I know what you're thinking; but you're entirely mistaken, and if you had any finer feeling you'd beg my pardon."—Browning's.

**Sensitive Conscience.**  
"Conscience Money" was recently received by the Lord Provost of Edinburgh, from an American citizen to ease his guilty conscience for having stolen an apple over 40 years ago in Scotland!

**Cultivate Love of Home.**  
Love of home and of what the home stands for converts the drudgery of daily routine into a high order of social service.—Ellen Richards.

Will Clouser of Jasper, Jasper county, was here to spend Sunday with old Greenfield friends. He was accompanied by his two sons, a couple of fine "farmer boys," almost men. Many years ago he was in business in Greenfield and he was married some thirty or more years ago.—Dade County Advocate.

**Don't Neglect your Cold.**  
Neglected colds get worse, instead of better. A stuffed head, a tight chest must be relieved at once. Dr. Bell's Pine-Tar-Honey is Nature's remedy. Honey and glycerine heal the irritated membrane, antiseptic tar loosens the phlegm, you breathe easier and your cold is broken up. Pleasant to take. Dr. Bell's Pine-Tar-Honey is an ideal remedy for children as well as grown ups. H. F. Pitts. 25c.

**Deafness Cannot Be Cured**  
by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.  
We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.  
F. J. CHENEY & CO., Toledo, Ohio.  
Sold by Druggists, 75c.  
Take Hall's Family Pills for constipation.

### The All-Wise Creator

Put the Great Trees in the Forests, and no doubt it was His intention that they should be used to build Houses for His People. Nothing can be wrought into a home with such grace and beauty as Lumber. It seems to be the true building material.

Into the heart of every true American at some time in his life there comes a longing for a Home—a piece of God's Earth that he can call his own, and a shelter for himself and family.

Our sound, dry, well manufactured lumber, when built into your home brings satisfaction and pleasure for the balance of your days.

Let us give you our estimate.
